Membership Plan

Denplan is the UK's leading dental payment plan specialist with approximately 1.8 million patients already enjoying the many benefits of membership.

A plan to suit you

If you're someone who likes the freedom to be able to pay for your check-ups and any treatment as you need it, Membership Plan is for you. It is an excellent way of ensuring you have access to your preferred dentist and includes dental injury and dental emergency cover.

Regular dental care for a healthy mouth

By having access to your preferred dentist, you'll be able to access regular check-ups, these are the best way to maintain long term oral health and ensure that any dental treatment needs are spotted early.

Your dentist will tell you how many check-ups you'll need a year, what treatment you should have and how much the treatment will cost in addition to the Membership Plan monthly fee cost.

Emergency dental care whenever and wherever you need it

Dental injury and dental emergency cover (Supplementary Insurance), arranged by Denplan, will help cover you for emergency dental treatment necessary at any time of the day or night.

This cover is included as part of Membership Plan, and is invaluable in the event of a dental injury or dental emergency situation whether you are away from home, away on business or on holiday.

Dental Emergency Helpline at your service

As part of Denplan's Insurance Services, you'll also have access to Denplan's 24-Hour Worldwide Dental Emergency Helpline that will offer you help and advice in the event of a dental emergency.

Family group discounts available

Discounts of up to 15% are available if one Direct Debit covers more than one Membership Plan patient registered at the same practice.
